It will serve as a means of facilitating collaboration between high-level, internationally recognized researchers and teaching staff of the Academy and other institutions in Poland and Europe.

Article 3 The Academy, in consultation with UNESCO, shall appoint the Chairholder who will be selected by means of a procedure to be mutually agreed upon.

- Article 8** The Academy shall submit an annual report to UNESCO presenting the activities carried out by the Chair. If approved by UNESCO, this report may be distributed to the world academic community. UNESCO shall contribute to the international dissemination of information on the experience and potential benefits of the activities of the Chair at the regional and international levels. The Academy shall provide a financial report showing the financial support obtained for the Chair from different sources.
- Article 9** UNESCO shall take the necessary steps to facilitate the participation of the Academy in its programmes and activities with a view to strengthening international academic cooperation in the field of scientific research and its application for national development. - Article 10** Within that framework, UNESCO shall endeavour to associate the Academy with the activities of different Chairs and inter-university networks participating in the Programme, especially in Member States in the Europe region, and with those of similar Chairs in other regions of the world.
- Article 11** Subject to the terms of this Agreement, the Academy shall assume all expenses linked to the execution of activities undertaken by the Chair.
